1) There is a technical defect in the resolution now submitted by the Municipal for the sanction of Govt and that is supplement notice does not appear to have been given by the Municipal Councillors who proposed the modification of a previous resolution of the Council regarding the Emoluments of the Rubbadars. The modified proposals were made by messrs Ramachandra Sivaprasad in their letter dt 30 8 18, and the meeting was held on 7 9 18 Thus only 7 clear days' notice could have been given of the said proposition But under sec 26 (3) 10 days notice of such propositions is prescribed Whether this is a material irregularity is a point for Consideration The meeting of the Municipal Council was an ordinary one

I don't think there has been an irregularity Sec 26 (3) provides for consideration of cases, not on the notice with the permission of the presiding authority

as regards the case itself, it does not present much room for discussion The Municipal Council are competent to fix the salary of their chief officers, as they can of any other servant of theirs If any fresh or separate consideration at all, it is whether Govt are prepared to spare the services of the Rubbadars for a long term of years to the Municipal Council, and whether the Municipal Council ought to be required to contribute towards his pension charges &c

meaning of the section 169 of the Municipal Regulation.

5. Attention is also invited to the requirements of rules 282 and 283 of Municipal Account Manual in creating or renewing appointments. A proposition statement showing clearly the financial effect of the proposal should be placed before Government

6. As Mr.Subba Rao holds a substantive appointment under Government, his appointment as Chief officer should be regulated by Foreign service rules. Under present orders in the case of service under Bangalore City Municipality no contribution for pension is levied under art.409 M.S.R.but pension is paid by the several Funds under whom an officer has served according to rule of proportion(Vide art.263). There is therefore no objection on general financial grounds to the proposal to allow Mr.Subba Rao provisionally to receive the emoluments recommended so long as he continues in the service of the Bangalore City Municipality.

The pay proposed viz 450 - 50/2 - 600 plus Rs 100 conveyance allowance seems too high. An Assistant Commissioner (Rs 250 - 50*/3 - 450) plus Rs 100 allce. would be a suitable rate. Seems that the Municipality keeps separate Health office & Engineering office of somewhat high status the Chief office should be a man of the general secretariat line with thorough grasp of accounts and Municipal finances. The Honorary President of the Bangalore City Municipal Council has submitted for the sanction of Government the resolution of the Municipal Council at their meeting held on the 7th September 1918, to the effect that the pay of the Chief Officer of the Municipality be fixed at Rs 450-50/2-600 plus 100 conveyance allowance, and that Mr R Subba Rao, M B C M, etc, be appointed Chief Officer on the sanctioned pay

2. As Mr Subba Rao holds a substantial appointment under Government as District Sanitary Officer, the question was referred to the Financial Secretary for favour of opinion That officer noted that the pay proposed seemed too high and that an Assistant Commissioner's pay (Rs 250-50/3-450) plus 100 allowance would be a suitable rate The question was considered in Council on the 21st instant when the following resolution was recorded -

Para 23, page 11 of Mem notes

13 of other notes

"The pay of the Chief Officer may be fixed at Rs 400-50/2-600 plus a conveyance allowance of Rs 50 if a horse conveyance or a motor cycle with side-car is maintained, or Rs 100 if a motor car is maintained by the officer

"Mr Subba Rao may be appointed Chief Officer and will be started on Rs 450 and will be on probation for a year"

3. The papers having been sent, in accordance with paragraph 9 (a) of Government Order dated 22nd June 1916 to the Financial Secretary a second time, he has stated that he adheres to his opinion previously recorded

4 As, however, there is no ground for overruling the opinion of the Municipal Council as regards the emoluments of their Chief Officer, and in view also of the strong reasons urged in its support by the Honorary President in his letter of the 10th September 1918, the resolution of the Council may be graciously sanctioned. Mr R Subba Rao has shown great capacity and tact in the work of administration of the Municipality But he is reported to have certain weaknesses about which it is suggested that he be confidentially warned His appointment may be treated as on probation for a year

The Chief Officer is directly responsible to the Council for the execution of all Municipal work in the several Departments and has to deal with the public in all Municipal matters. He has certain independent powers by virtue of his office and more powers can be conferred upon him by the Council

3. I explained to the Council the requirements of the new post and what is expected of its incumbent and the Council after a full discussion unanimously resolved that Mr R Subba Rao be appointed to the post on the pay named. In arriving at this decision, they took into consideration his past services in the Municipality, the training he has had for over 2½ years as Vice President and the uniform satisfaction he gave to the Council in the performance of his duties. A certain continuity of Administration is necessary in the best interests of the City and the Council thought that it would to a great extent be secured by having an Officer at the head of the executive, who has had experience of Municipal work in all its branches at a strenuous period of its activities It is not out of place to say that most of the present members of the Council may be expected to be in the new Council, which will come into existence in November next It is also a point for consideration, whether such an important matter as the appointment of a Chief Officer is not best decided by the existing Council, which had had special opportunities of knowing Mr. R. Subba Rao's capacity for work and is certainly interested in the maintenance of efficiency and stability of the new order of things, which has been brought into existence by the Local Self-Government Scheme

4 I can only say that I fully endorse the unanimous resolution of the Council and consider that no better selection could have been made in the existing circumstances Mr R Subba Rao has done good work in the past and it is but right that the Council should recognise it and offer him the new post The pay proposed

is

s reasonable and consistent with the dignity and responsibilities of the Chief Executive Officer. I solicit the sanction of Government to the recommendation made by the Council.
